Hi All,

Just a quick note to let you know we have finally had our phone connected. Our home number is:

852 - 2470 - 6944 (Note: 852 is the country code for Hong Kong)

We do not have an answering machine, so if you call and it just rings, we are probably not home. Please try again later. If it is an emergency, you can reach us (or leave a message) at the YWAM office: 852 - 2470 - 0760

Also, just as a reminder, here is the time difference between where we are and where you are:

USA - Eastern Standard Time:	We are 13 hours ahead of you
USA - Eastern Daylight Savings Time:	We are 12 hours ahead of you
South Africa:	We are 6 hours ahead of you

We look forward to hearing from you.

God bless,

Stephen & Karen
