Greetings Prayer Warriors!

We need your prayers. We are finalizing our plans for traveling to South Africa and need to pay for our air tickets by next Monday (October 4th). We still need to see a significant amount of finances come in to pay for the trip. Please stand with us in prayer for this need.

This is an important trip for us as we will be attending a missions conference at Stephen's home church in Pretoria. During our time there they will be launching our sending cell. This is the final step to us being supported by the church as full-time missionaries. As we have been praying and waiting on the Lord, we have peace about going to South Africa, and believe that God will make it possible.

Please pray for the following:

- That the finances would come in on time (God's timing, not ours). Pray specifically for finances for:
 - a) our air tickets
 - b) our rent while we are gone
 - c) our expenses while in South Africa
- That we would be able to connect with the right people who would like to partner with us to fulfill the vision that God has given us. Most importantly, we need people who will be faithful to pray for us. We also need those who are able and willing to support us financially.

Thank you so much for praying. Your prayers are literally moving mountains as our Father establishes us here in Hong Kong. Remember, we're in a spiritual battle (2 Cor. 10:3-4). Because it is spiritual and not physical, we are not bound by time and space. On the contrary, our prayers are powerful and effective no matter where we are. That means that you can be a part of what God is doing in our lives in Hong Kong no matter where in the world you happen to be.

Thank you again for standing with us in prayer. We appreciate you very much.

Blessings,

Stephen & Karen
