July 8th, 2005

Hi Everyone,

Just a quick note to let you know some exciting news...

Our South African Sending Cell will be launched this Sunday morning at [Hatfield Christian Church](#) in Pretoria. Pastor Colin McGeer will be preaching and reporting back from his recent trip to visit us in Hong Kong and China. It will be a time to hear of the many exciting things that God is doing in Hong Kong and China.

If you are in the Pretoria area this Sunday morning (**July 10th**) and can make the service (at **9:00 am**), that would be great. We will not be there (we're still in Hong Kong) but Gawie and Louise Jordaan will be representing us. Please stop by and chat with them after the service.

If you're not in the Pretoria area, you can still listen in on the service (if you're not at a church of your own) by tuning in to Impact Radio over the internet. We'll be tuning in from Hong Kong. Just [click here](#) and then click on the "Listen Live" link.

Well that's all for now. Thank you again for all your prayers and support. We really appreciate every one of you. You are a blessing to us and to the people of Hong Kong

We look forward to hearing from you and seeing when we're in South Africa later this year.

God bless,

Stephen & Karen
