

Dear Prayer Warrior,

Greetings from a pleasantly cool Hong Kong! We pray that you and your family will be greatly blessed as you celebrate the birth of our Lord Jesus Christ this Christmas.

Christmas is always a special time of the year. But, this year it seems, at least here in Hong Kong, that there is something extra special in the air.

The world has repeatedly tried to take "Christ" out of Christmas by using slogans such as "Happy Xmas", "Happy Holidays", and "Seasons Greetings". The Lord is reminding us that Jesus is the reason for the season. Without Christ there is no Christmas.

This past Sunday, December 21st, the name of Jesus was lifted up as churches throughout Hong Kong reminded people that Jesus is the reason for the season. We were privileged to participate in one of twelve outreaches that happened simultaneously throughout Hong Kong.

The Vine Christian Fellowship (the local church we attend in Hong Kong) partnered with International Christian Assembly (ICA) and hosted a two hour time of worship, caroling, prayer, and prophetic proclamation over the city of Hong Kong. What we did was not so unusual. But *where* we did it was. We were located right next to the Star Ferry pier on Hong Kong Island, right out in public for everyone to see. It was an amazing time, as you might be able to tell from the photos below.

The organizers of the event, Citywide Renewal, were trusting the Lord that up to one million people would be exposed to the fact that Jesus is the reason for the season through these outreaches. We are not sure how many actually were, but we are sure that something significant occurred in the spiritual realm.

We know for a fact that the name of Jesus was exalted, magnified and lifted up in the streets of Hong Kong. And, the Gospel was preached and proclaimed to the people of Hong Kong. There is an excitement in the air. We believe the enemy is shaking in his boots because God is about to break loose in Hong Kong! Hallelujah!

Please continue to stand with us in prayer as we go before God and ask Him to do the things that He has planned to do in and through the people of Hong Kong. We believe that Hong Kong is on the threshold of understanding and beginning to fulfill her God-given destiny.

On a slightly lighter note, we "Elfed ourselves" for your viewing pleasure. Click the link below to enjoy a short video of us "dancing in elf suites". We hope that it brings a smile to your face :-D

Blessings,

Stephen & Karen
