

Dear Prayer Warrior,

Greetings from Hong Kong. We trust that this letter finds you blessed in the Lord. This year is well under way and many exciting things are happening here in Hong Kong. We just want take a moment to let you know what your prayers and financial support are accomplishing. They are making a difference. Thank you for taking time out of your busy schedule to stay connected with us. We appreciate you!

Bible School Launched...

On February 6th we launched the One Voice for Asia Bible School with six students from three different nations. Dinesh & Sadhana, Pastor Rai, and James are from Nepal. Patrick is from Congo, and Hennedy is from Sri Lanka. We are really excited about this new bible school. It is a dream come true for Stephen and we did it with **your** help. Thank you for praying for and supporting us as we train leaders to reach the nations of Asia.

Chinese New Year Outreach...

We held our 5th annual Chinese New Year outreach on February 8th and 9th. Once again it was a festive occasion with young and old coming to get their faces painted. This year Caleb helped Karen with the painting. He did a great job. Grace and Faith helped Tammy to hand out cookies, candy, and special Chinese New Year packets. Stephen, Craig, and Junghee made balloon animals. Everyone did a great job and had fun doing it.

This year about 10 to 15 people helped themselves to the tracts that we had on our table. We cannot hand them out, but we can leave them there with a sign saying "Free! Please take one". And they did. This is an exciting new development as not many have taken any in past years. Please pray that those who took tracts will actually read them and that the Lord will continue to draw them unto Himself.

Thank you to all of you who prayed for us and for the outreach. While you could not be here with us physically, we know you were here in spirit. Thank you also to Joe, Pam and Donna for sending us the balloons. We love and appreciate you all!

Nepalese Ladies Conference...

Karen was the main speaker for a Nepalese ladies conference held on Sunday, February 15th, 2009. The Nepalese church that we work with hosted the conference which brought together ladies from 12 different Nepalese churches in Hong Kong.

It was a very colorful affair, with all the ladies wearing traditional costume. Even Karen was dressed in a Nepalese Salwar that some friends had given her before hand. Karen talked to them about being Women of Destiny. The Lord deeply touched their hearts - there were many tears during the ministry time.

MLM Hong Kong Conference - Notebook 6 & Graduation

The Millions Leaders Mandate - Hong Kong Conference has come to the end of a three year process. We were honored to serve once again on the hospitality team, as we completed the last notebook, Notebook 6, in the Million Leaders Mandate curriculum. Towards the end of the second day, we had a graduation ceremony for all those who had completed the three year process. Stephen & Karen graduated together with three of the Nepalese leaders they have been training.

Thank you to EQUIP, and the associate trainers, Dr. Ron McManus & Rev. Chris Hodges for investing into our lives. Thank you also to Rev. Titus Poon and his team, and evryone else who worked so hard to make these past three years a reality.

And thank you to all of you who have been praying for us and supporting us through this process. We have been trained and have been training others. They too are now beginning to train leaders themselves. The multiplication process has begun, and **you** are a part of it. Your prayers and support are touching lives in Asia. Thank you!

Prayer Requests...

Please continue to stand with us in prayer for the following...

1. **MLM Nepal** - As a partner of EQUIP, and through our relationships with the Nepalese community in Hong Kong, we going to Katmandu, Nepal to start the Million Leaders Mandate training there. We leave on March 17th and return on the 26th. Nepal is a nation of 29.5 million people and less than 1.5 million (0.5% of the population) are Christians. But many are open to the gospel message and are coming to know the Lord. We believe that God's time for Nepal is NOW! [Click here](#) to download a flyer with more information. Please pray for the following...
 - o That the necessary finances will be provided for us to make this happen. The estimated cost of the trip is USD \$5,500.00 which includes the printing of 5000 notebooks, airfares, and all other expenses.
 - o Pray that Nepalese leaders who have a passion to train other leaders would come to be trained.
 - o Pray that God's plans and purposes for Nepal will be accomplished.
 - o Pray for unity amongst Nepalese Christians.
 - o Pray for enough leaders to be trained to handle the spiritual awakening that we believe is

coming to Nepal.

2. **Karen's health** - Karen has been to the doctor again, and also to more than 10 sessions of physio therapy. They now believe that the pain in her groin is a radiating pain that is actually being caused by a "flare-up" of the herniated disc that she had three years ago. Some days she does well, and other days the pain and discomfort are quite bad. Please continue to pray with us. We are trusting the Lord for a complete healing in His timing. Also, the doctor has said that she has early signs of degenerative arthritis in her hip, and that she will probably need a hip replacement in 15 to 20 years. Her mother also had it, and did have her hip replaced. However, we are choosing to believe the Lord's report that says, "by His stripes you **were** healed". Please stand with us as we trust the Lord for a Divine hip replacement. Amen!
3. **Bible School** - Please pray that the students will learn everything that they need to, in order to be effective in the things God has called them to do. Especially pray for their comprehension of the English language. English is a second language for all of them, and sometimes the text book uses words and grammar that even we have a hard time with. Pray for God's grace and favor to be upon them as they study and learn about His Word.
4. **Sponsors & Visas** - We are still in the paperwork process; first, for connecting to our sponsoring organization, and second, for our Hong Kong visas. Pray that everything will go smoothly and that there will be no surprises, especially with the visas. It seems that things change often with Hong Kong Immigration these days.

Thank you for praying with us and supporting our ministry financially. By doing so you are **partnering** with us to see God's kingdom expanded in Asia. You are making a difference, and you are storing up treasures for yourself in heaven. We appreciate you!

May God bless you abundantly, above all that you could ask or think.

For the harvest in Asia,

Stephen & Karen
