

Dear Prayer Warrior,

Greetings from Hong Kong. We are still feeling the effects of jetlag - can't keep our eyes open at 7:00 pm and then are wide awake at about 5:00 am - but we are happy to be home and settling in to a normal routine, albeit for just a few weeks.

On October 22nd we leave for Katmandu, Nepal where we will teach the second conference in the *Million Leaders Mandate* series. We are really looking forward to going back and seeing our new friends again.

### How dedicated are you?

Before our trip to the U.S., in March, we went to Nepal to teach the first Notebook in the *Million Leaders Mandate* leadership training curriculum. Thank you for your prayers and support that helped make this trip possible. We appreciate you!

The Christians in Nepal are very hungry for the things of the Lord. And they are willing to make tremendous sacrifices to learn and grow in their relationship with Jesus. The lady in the picture **walked for three days, with her baby, just to get to a town from which she could catch a bus to travel 12 hours to Katmandu** where we held the conference. Wow! If that's not dedication, then we don't know what is.

We trained over 200 Nepalese pastors and Christian leaders in three days. They were so excited about the training. Many echoed the sentiments of one leader who said, "This is the best training we have ever had."

God is getting ready to do something amazing in Nepal - training leaders is just the first step. We believe that His time for Nepal is now! And, **you are a part of what is happening**. Through your prayers and financial support Nepal is being impacted for eternity. Praise the Lord!

## The Second Conference

In about two weeks we leave for Nepal to do the second conference. Last week, after we got back to Hong Kong, we met with our Nepalese friends here in Hong Kong to go over the plans for Notebook 2.

At that meeting we found out that one of the Nepalese believers we trained here in Hong Kong, wants to sponsor the cost of printing the notebooks for this next conference - that's about USD \$2,500.00. He has a small piece of land in Nepal which he is in the process of selling and wants give some of the proceeds of the sale towards training leaders in his homeland. **This is truly a "widow's mite" offering and we believe it will bear much fruit for God's Kingdom in Nepal.**

We also revised our original plans at that meeting, due to the current economic situation around the world. We have decided to eliminate the second conference in Eastern Nepal, and will now only do one conference in Katmandu. We are still expecting up to 500 participants. This change in the plan reduces our overall estimated cost for this upcoming conference from USD \$9,600.00 to about USD \$7,500.00.

That means that we still need about USD \$5,000.00 to cover the rest of the costs of this upcoming conference (travel, feeding participants, helping with transportation for those who come from outside the city, etc.). Please stand with us in prayer and trusting the Lord to provide. We know He will, but He does require us to ask.

## Prayer Requests...

Please pray with us for the following:

1. Pray that our friend's land will sell quickly, and that he will get the best possible price for it. Pray that the Lord will bless him abundantly for his generosity.
2. Pray that the rest of the finances that we need for this conference will come in. We are excited to see what other creative ways the Lord will use to meet the need.
3. Pray that leaders who have a passion to train other leaders would come to be trained.
4. Pray that God's plans and purposes would be accomplished in Nepal.
5. Pray for unity amongst the Christians in Nepal.
6. Pray for enough leaders to be trained to handle the spiritual awakening that is coming to Nepal.
